אהוד שלום
שלדון התקשר אלי שוב. הוא נשמע רציני ויצרתי. הוא ביקש אם אפשר להיפגש לפני שאתה מחליט?

כמו כן אורי גולדפרב שמנהל את הפעילות של קרדיט סוויס בארץ מאוד מאמין בזה יש לו קשר להרבה גופים מוסדים ויודע איך לגייס מהם ומאנשים פרטים רוצה לפגוש אותך בענין.

שבת שלום

Also working with Dorian Barak ex Hapoalim

Worth the meeting
Here's the description:

Sheldon has lived in Israel for more than thirty years and served for many years in government there (Foreign Ministry, Prime Minister's Office) and in the IDF (with the Advisor to the Prime Minister on Countering Terrorism). After leaving government service, he built and sold two successful Israeli technology companies, was for many years the partner of former Secretary of Homeland Security Tom Ridge and for almost fifteen years was the partner of Mark Broxmeyer (the founder of Fairfield Properties [one of the largest real estate companies in the US], the long-term Chairman of JINSA and a major political donor). He was also the SVP of Singer Barnea, and has also served as an advisor to a major Israeli defense and HLS company, to Yissum (the technology transfer company of Hebrew University), to Goldman Sachs (NY), and to a major Eastern European energy company.
